Presidential Determination No. 95-15

*Memorandum for the Secretary of State*

*Subject:* Certifications for Major Narcotics  
Producing and Transit Countries

By virtue of the authority vested in me by section 490(b)(1)(A) of the Foreign Assistance Act of 1961, as amended, ("the Act"), I hereby determine and certify that the following major drug producing and/or major drug transit countries/dependent territories have cooperated fully with the United States, or taken adequate steps on their own, to achieve full compliance with the goals and objectives of the 1988 United Nations Convention Against Illicit Traffic in Narcotic Drugs and Psychotropic Substances:

The Bahamas, Brazil, China, Dominican Republic, Ecuador, Guatemala, Haiti, Hong Kong, India, Jamaica, Laos, Malaysia, Mexico, Panama, Taiwan, Thailand, Venezuela, and Vietnam.

By virtue of the authority vested in me by section 490(b)(1)(B) of the Act, I hereby determine that it is in the vital national interests of the United States to certify the following countries:

Bolivia, Colombia, Lebanon, Pakistan, Paraguay, and Peru.

Information on these countries, as required under section 490(b)(3) of the Act, is attached.

I have determined that the following major producing and/or major transit countries do not meet the standards set forth in section 490(b):

Afghanistan, Burma, Iran, Nigeria, and Syria.

I have made these determinations, taking into account the factors set forth in section 490 of the Act, and based on the information contained in the International Narcotics Control Strategy Report of 1995. Because the performance of these countries varies, I have attached an explanatory statement in each case.

You are hereby authorized and directed to report this determination to the Congress im-

mediately and to publish it in the *Federal Register*.

**Statement on the Food Stamp  
Program Antifraud Initiative**

*March 1, 1995*

I am very pleased that USDA is presenting this comprehensive proposal to Congress today.

With this package, we are saying to the Congress that we expect the Food Stamp Program to continue to get food to people who need it but that we will not tolerate criminals who defraud the system and seek to profit from the hunger of others.

Over the past 2 years, this administration has made restoring public trust in Government a top priority. As part of our comprehensive strategy to reinvent the Food Stamp Program, we are today asking Congress for broad new powers, comprised of 13 specific items, to counterattack those who have exploited the program.

This administration has made clear our opposition to block grants for our nutrition programs. With this tough, workable antifraud initiative, we are ensuring that the Food Stamp Program will earn the public trust, and continue to help people who need it.
